Island Restoration in Door County

Dustan Hoffman, Ranger for the islands of the Green Bay National Wildlife Refuge, will be on hand to tell us about restoration efforts on Plum and Pilot Islands. These are remote islands near Washington Island in Door County, and serve as important migratory pathways and nesting grounds for many birds.

He will also share a bit about the birding festival being planned in conjunction with the long running Washington Island Birding Festival.

The doors will open at 6:30 and the program is free and open to the public.

JANUARY MEETING

WEDNESDAY, JANUARY 17, 2018

Annual Business Meeting with Photos

This month s meeting is a little bit different.? Our annual meeting and potluck will begin at **6:00 PM**, followed by election of officers and then sharing of photos. If you have photos

you think our members would enjoy, please do limit yourself to no more than 25, so all who want to share have a chance.

Our January meeting will include election of officers. This year, the office of Treasurer is open. Marty Lohman has served in this position for several years and hopes someone will step up to take over the excellent job she's done. Please contact any of the Board members for more information.

The meeting will begin at 6:00 and the program is free and open to the public.
